A HAPPY SALUTE TO

Festival '73

Once again, the Mattapoisett Historical Society and a dedicated Festival Committee have brought to the area a day to delight the senses! The color of paintings, the mood of photography, the lively arts of the craftsmen and the spontaneity of folk music are a 'Festival' indeed. The spirit and the deed are enjoyed by all!

Congratulations from Little Bay.

The most interesting feature is that the artists and artisans are in action - doing their thing in many instances. People not only see the result but the steps that make it possible.

On the cover are a few of the talented people in the creative process. Top left and center, Tom Starr of Starr Pottery, Mattapoisett Neck, throws a pot on his wheel; Top center, George S. MacKinnon of Falmouth holds the absorbed interest of a little girl as he carves an eagle before her eyes; top right, Richard DeFonzo of Richard's Ark, Mattapoisett, laces up a handsome leather bag as he demonstrates the art of leather craft; center left, Beatrice Izmirian of New Bedford weaves a seat in cane; center right, Althea Langlois of New Bedford creates a rag doll in her very popular exhibit of dolls and animals; bottom right, Spinner Sara Bagg of Lakeville makes the yarn that she will weave into something beautiful; bottom center, Janice Kanto of Fairhaven sings in her segment of the continuous entertainment furnished by "Almitra", the young people's Coffee House; bottom right, Holgar Smith of Mattapoisett with his beautiful collection of decoys. These were only a few of the outstanding events of the show.

Auto loan sail

Your next car might come equipped with a boat.

Buy that newer car now, and we'll give you a shot at one of four "Sea Swinger" sailboats. These sleek little craft are easy to carry, almost maintenance free, and lots of fun to sail.

To be eligible to win one, simply come to either our Middleboro or Mattapoisett office between May 1 and July 27 and get yourself a car loan. Then just sit back and relax until June 30th, the date of our first drawing.

If your name isn't drawn the first time, don't give up the ship. You're still eligible for a second drawing on July 31st.

But no matter how it goes, you're a winner either way. Because with a Plymouth-Home National car loan you get "same day" service, free life insurance, and low rates. And if you charge your payments against a Plymouth-Home checking account, you get even lower rates.

So don't put it off any longer. Sail into Spring with a newer car—and maybe even a boat—with a car loan from Plymouth-Home National.

JULY JUNIOR SERIES

Despite gray skies and intermittent rain, the July Junior Series at the Mattapoisett Yacht Club turned into a lively contest last Wednesday, July 11th, with eight Beetle Cats answering the starting gun. Meredith Barnes in Gay Lee Ann II took top honors. Jim Broadwater in Agamemnon and John Cornish in Barby Jo sailed a close race, Jim besting John by 38 seconds.

EVENING SERIES

With the rumble of distant thunder and the possibility of a squall as a background, the Mattapoisett Yacht Club held the first race in the Evening Series last Wednesday, July 11th. Wind was from the SW, but midway of the course, shifted to NW, building up considerably as it did so.

Billy Mee was the victor for the Corinthians and Harvey Pentleton for the Planing Hull Division.

Both fleets sailed to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, and back to finish.

Jack O'Leary at the helm of Quest was out front first, but soon on the first leg Billy

Mee in Irish Eyes began to challenge, then to close the gap. The pace quickened on the home stretch, as Mee captured first by a boat length. O'Leary trailed by two seconds and A. Murray in Galway Bay by 15 seconds.

In the Planing Hull Division a tight battle developed for starting positions, and it looked as if Kevin O'Leary would get the upwind berth. But unfortunately he was over too early and had to be recalled, thus giving Harvey Pentleton the advantage. Kevin placed second by a margin of 47 seconds (corrected time), with Phil McCarthy not far astern.

Incidentally, the impending thunder storm and squall struck minutes after the skippers had docked.

SATURDAY SENIOR SERIES

Two classes in two races each vied July 14th in the second July contest of the Saturday Senior Series. Jim Barnes and Harvey Pentleton chalked up double wins.

Rough seas and strong 25-mile SW winds combined to make sailing rather a challenge. One boat capsized, but righted itself in time to finish the course.

The Beetle Cats went to Mattapoisett Neck MYC guide buoy, to Town Anchorage Red Nun 8, to Molly's Cove MYC guide buoy, and return; then to Mattapoisett Neck MYC guide buoy, to Crescent Beach MYC guide buoy, to Nun 4 and finish.

In the first of their double header Jim Barnes in Gay Lee Ann II took the lead, followed by Dave Jenney's Ariel second and John Cornish's

The next time around, there was quite a competitive starting duel, but again Barnes broke away to defeat Jenney by 01:45.

The Planing Hull Division was increased to a total of four different types this week. In both races Tom Pear sailing the 110 was first over the line. In the initial contest three boats overstood the first marker. On corrected time it was Harvey Pentleton, Dick Macomber and Tom Pear, in that order. They traveled the first Beetle Cat course.

In the last part of their double header, the Planing Hull fleet ran into trouble. Not only had the weather worsened, but the second course took them to the outer harbor (to Mattapoisett Neck MYC guide buoy, to Crescent Beach MYC guide buoy, to Barstow Rock Red Nun 6 and finish. A 420 (Billy Mee skipper) capsized but righted itself and the others found it increasingly difficult to navigate. The final record read: Harvey Pentleton, Tom Pear and Kevin O'Leary.

TEACHER TO STUDY IN BRITAIN

A teacher at Old Rochester Regional Junior High School will travel in England this summer to study "Open Education in Britain", a course designed to introduce teachers from various countries to the open classroom approach to education which was pioneered in England.

Mrs. Eunice Sederholm, eighth grade language arts teacher, will spend a month in Oxford, York, Bradford and London, visiting schools in session, attending lectures and meeting educators in the various locales. In addition, the program includes films illustrating the experience, uniqueness and dilemnas of English culture, and visits to theaters, concerts, tourist attractions and archeological excavations.

The program is under the auspices of the John Clark Academy of London and guest lecturers include well-known British educators such as Basil Bernstein, famous for work in linguistics; Germain Greer, author of The Female Eunuch; and Jonathan Miller, actor, stage and film director, best known for his appearance in "Beyond the Fringe".
